September 29, 2019

Dear Fareham Square Residents:

The Board of Directors has decided to change the current bulk contract with Spectrum. The new contract is much improved and now includes Spectrum TV Bronze, with over 225 channels versus the old contract that covered just channels 2-70. More important, it also includes the cost of Spectrum Internet with 100mg speed, for which you have paid extra in the past. Altogether, this means you will have more channels and fast internet at no cost to you individually. The new bulk contract also includes one (1) modem/router and two (2) HD set top boxes. Check your Spectrum bills to see how much it will save you individually.

The plan is for the new Spectrum Internet contract to start December 1, 2019. It will be up to you to contact Spectrum to initiate the change over in equipment. Please refer to Account # 003591737-01 when you contact Spectrum. Should you require any additional services beyond Spectrum TV Bronze and/or any additional hardware please call Spectrum at (833) 697-7328.

If you have any questions or concerns, please feel free to e-mail me at jkidd@ameritechmail.com or by phone at (727) 726-8000 ext. 247.

By Order of the Board of Directors,

Jenny Kidd, LCAM
