IMPORTANT NOTICE REGARDING COVERAGE LIMITS IN YOUR RENEWAL OFFER

Dear Policyholder:

Citizens underwriting rules require that the building(s) on your policy be insured based on 100 percent of the replacement cost value. Due to recent decreases in construction costs, the enclosed renewal offer is for a policy that may provide a lower Limit Of Insurance and/or Total Replacement Cost* than your current policy. If there is more than one building insured on your policy, more than one building may have a lower Limit Of Insurance.

If you would prefer to renew your policy with no change in your current Limit(s) Of Insurance, please contact your insurance agent for assistance in changing the amount of the Limit(s) Of Insurance and to obtain the renewal premium quote for such policy. This notice is provided as a courtesy. A future renewal offer may not provide this notice if the Limit(s) Of Insurance have not been decreased.

*For certain policy types, Citizens insures only the first \$1 Million or \$2.5 Million of coverage for a building with a replacement cost higher than these limits. While the replacement cost may have decreased, the Limit Of Insurance for these buildings may not be reduced on the enclosed renewal. The Limit Of Insurance and Total Replacement Cost for each building are reflected on the enclosed declarations.

Acknowledgement of Potential Surcharge and Assessment Liability

We are required by law to send you this notice to inform you about the potential for surcharges and assessments to be applied to your policy.

1. AS A POLICYHOLDER OF CITIZENS PROPERTY INSURANCE CORPORATION, I UNDERSTAND THAT IF THE CORPORATION SUSTAINS A DEFICIT AS A RESULT OF HURRICANE LOSSES OR FOR ANY OTHER REASON, MY POLICY COULD BE SUBJECT TO SURCHARGES, WHICH WILL BE DUE AND PAYABLE UPON RENEWAL, CANCELLATION, OR TERMINATION OF THE POLICY, AND THAT THE SURCHARGES COULD BE AS HIGH AS 45 PERCENT OF MY PREMIUM, OR A DIFFERENT AMOUNT AS IMPOSED BY THE FLORIDA LEGISLATURE.
2. I UNDERSTAND THAT I CAN AVOID THE CITIZENS POLICYHOLDER SURCHARGE, WHICH COULD BE AS HIGH AS 45 PERCENT OF MY PREMIUM, BY OBTAINING COVERAGE FROM A PRIVATE MARKET INSURER AND THAT TO BE ELIGIBLE FOR COVERAGE BY CITIZENS, I MUST FIRST TRY TO OBTAIN PRIVATE MARKET COVERAGE BEFORE APPLYING FOR OR RENEWING COVERAGE WITH CITIZENS. I UNDERSTAND THAT PRIVATE MARKET INSURANCE RATES ARE REGULATED AND APPROVED BY THE STATE.
3. I UNDERSTAND THAT I MAY BE SUBJECT TO EMERGENCY ASSESSMENTS TO THE SAME EXTENT AS POLICYHOLDERS OF OTHER INSURANCE COMPANIES, OR A DIFFERENT AMOUNT AS IMPOSED BY THE FLORIDA LEGISLATURE.
4. I ALSO UNDERSTAND THAT CITIZENS PROPERTY INSURANCE CORPORATION IS NOT SUPPORTED BY THE FULL FAITH AND CREDIT OF THE STATE OF FLORIDA.

More information regarding assessments and surcharges is available under the *Policyholder* section of our website, www.citizensfla.com.

Citizens Property Insurance Corporation

POLICYHOLDER ASSESSMENT EXAMPLE

To illustrate the potential assessment obligation of a Citizens policyholder compared to a policyholder insured by a private insurer, we have prepared an example based on an annual premium of \$25,000. Your actual assessment amount will vary based on your annual premium. The assessment will be in addition to the premium you pay for insurance coverage.

	Citizens Policy	ABC Insurance Policy
If your annual premium is:	\$25,000	\$25,000
Tier 1: Potential Citizens Policyholder Surcharge (one-time assessment up to 45% of premium)	\$11,250	N/A
Tier 2: Potential Regular Assessment (one-time assessment up to 2% of premium) ¹	N/A	\$500
Tier 3: Potential Emergency Assessment (up to 30% of premium annually, may apply for multiple years) ²	\$7,500	\$7,500
Potential Annual Assessment:	\$18,750	\$8,000

Tiers are used to demonstrate the multiple levels of assessment defined by Florida Law.

Assessment tiers are triggered based on the severity of the deficit.

Assessments are based on the greater of the projected deficit or the aggregate statewide written premium for the subject lines of business. The above example is based on the use of premium.

Notes:

1 - Tier 2 additional assessments may be incurred for other property/casualty policies that are subject to assessment.

2 - Tier 3 assessment may be collected each year over multiple years, depending on the extent of the deficit. In the event that subsequent years also generate a deficit, additional assessments could occur.

Notice of Change in Policy Terms

The purpose of this Notice of Change in Policy Terms is to inform you of changes to the terms, coverage, duties and conditions of your renewal policy. If you choose to accept our renewal offer, you should carefully review the changes described below along with the enclosed policy. Please consult your agent if you have any questions about the changes or the coverage provided. Receipt by Citizens of the premium payment for your renewal policy will be deemed acceptance of the new policy terms by the named insured.

FLORIDA CHANGES – LEGAL ACTION AGAINST US

This endorsement modifies insurance provided under the following:

COMMERCIAL PROPERTY COVERAGE PART

The following replaces COMMERCIAL PROPERTY
CONDITION **D. Legal Action Against Us** in Form **CP
00 90**:

D. LEGAL ACTION AGAINST US

No action can be brought against us; unless:

1. Notice of the loss has been given to us;
2. There has been full compliance with all of the terms of this policy;
3. If there is failure to agree on a settlement regarding the loss, prior to filing suit, we must be notified in writing of your disagreement; and
4. The action is started within 5 years after the date of the loss.

THIS ENDORSEMENT CHANGES THE POLICY. PLEASE READ IT CAREFULLY.

FLORIDA CHANGES

This endorsement modifies insurance provided under the following:

COMMERCIAL PROPERTY COVERAGE
COMMERCIAL PROPERTY CONDITIONS
COMMON POLICY CONDITIONS

A. Additional Coverages **4.a., Debris Removal**, is deleted and replaced by the following:

4. Additional Coverages

a. Debris Removal

(1) Subject to Paragraphs (3) and (4), we will pay your expense to remove debris of Covered Property caused by or resulting from a Covered Cause of Loss that occurs during the policy period.

The expenses will be paid only if they are reported to us in writing within 180 days of the date of direct physical loss or damage.

(2) Debris Removal does not apply to costs to:

- (a) Extract "pollutants" from land or water; or
- (b) Remove, restore or replace polluted land or water.

(3) Subject to the exceptions in Paragraph (4), the following provisions apply:

- (a) The most we will pay for the total of direct physical loss or damage plus debris removal expense is the Limit of Insurance applicable to the Covered Property that has sustained loss or damage.
- (b) Subject to (a) above, the amount we will pay for debris removal expense is limited to 25% of the sum of the deductible plus the amount that we pay for direct physical loss or damage to the Covered Property that has sustained loss or damage.

(4) We will pay up to an additional \$5,000 for debris removal expense, for each location, in any one occurrence of physical loss or damage to Covered Property, if one or both of the following circumstances apply:

(a) The total of the actual debris removal expense plus the amount we pay for direct physical loss or damage exceeds the Limit of Insurance on the Covered Property that has sustained loss or damage.

(b) The actual debris removal expense exceeds 25% of the sum of the deductible plus the amount that we pay for direct physical loss or damage to the Covered Property that has sustained loss or damage.

Therefore, if (4)(a) and/or (4)(b) apply, our total payment for direct physical loss or damage and debris removal expense may reach but will never exceed the Limit of Insurance on the Covered Property that has sustained loss or damage, plus \$5,000.

(5) Examples

Example #1

Limit of Insurance	\$ 90,000
Amount of Deductible	\$ 500
Amount of Loss	\$ 50,000
Amount of Loss Payable	\$ 49,500
	(\$50,000-\$500)
Debris Removal Expense	\$ 10,000
Debris Removal Expense Payable	\$ 10,000
	(\$10,000 is 20% of \$50,000)

The debris removal expense is less than 25% of the sum of the loss payable plus the deductible.

The sum of the loss payable and the debris removal expense (\$49,500 + \$10,000 = \$59,500) is less than the Limit of Insurance.

Therefore the full amount of debris removal expense is payable in accordance with the terms of Paragraph (3).

Example #2

Limit of Insurance	\$ 90,000
Amount of Deductible	\$ 500
Amount of Loss	\$ 80,000
Amount of Loss Payable	\$ 79,500
	(\$80,000 - \$500)
Debris Removal Expense	\$ 30,000
Debris Removal Expense Payable	
Basic Amount	\$ 10,500
Additional Amount	\$ 5,000

The basic amount payable for debris removal expense under the terms of Paragraph (3) is calculated as follows: \$80,000 (\$79,500 + \$500) x .25 = \$20,000; capped at \$10,500.

The cap applies because the sum of the loss payable (\$79,500) and the basic amount payable for debris removal expense (\$10,500) cannot exceed the Limit of Insurance (\$90,000).

The additional amount payable for debris removal expense is provided in accordance with the terms of Paragraph (4), because the debris removal expense (\$30,000) exceeds 25% of the loss payable plus the deductible (\$30,000 is 37.5% of \$80,000), and because the sum of the loss payable and debris removal expense (\$79,500 + \$30,000 = \$109,500) would exceed the Limit of Insurance (\$90,000).

The additional amount of covered debris removal expense is \$5,000, the maximum payable under Paragraph (4). Thus the total payable for debris removal expense in this example is \$19,500; \$10,500 of the debris removal expense is not covered.

B. Coverage Extensions 5. (First two paragraphs) is deleted and replaced by the following:

Except as otherwise provided, the following Extensions apply to property located in or on the building described in the Declarations or in the open (or in a vehicle) within 100 feet of the described premises.

You may extend the insurance provided by this Coverage Part as follows:

C. Coverage Extensions 5.e. Outdoor Property is deleted and replaced by the following:

You may extend the insurance provided by this Coverage Form to apply to your outdoor fences, radio and television antennas (including satellite dishes), signs (other than signs attached to buildings), trees, shrubs and plants (other than "stock" of trees, shrubs or plants), including debris removal expense, caused by or resulting from any of the following causes of loss if they are Covered Causes of Loss:

- (1) Fire;
- (2) Lightning;
- (3) Explosion;
- (4) Riot or Civil Commotion; or
- (5) Aircraft.

The most we will pay for loss or damage under this Extension is \$1,000, but not more than \$250 for any one tree, shrub or plant. These limits apply to any one occurrence, regardless of the types or number of items lost or damaged in that occurrence.

D. Limits Of Insurance C. is deleted and replaced by the following:

The most we will pay for loss or damage in any one occurrence is the applicable Limit of Insurance shown in the Declarations.

The most we will pay for loss or damage to outdoor signs attached to a building is \$1,000 per sign in any one occurrence.

The amounts of insurance stated in the following Additional Coverages apply in accordance with the terms of such coverages and are separate from the Limit(s) of Insurance shown in the Declarations for any other coverage:

- 1. Fire Department Service Charge;
- 2. Pollutant Clean-up And Removal; and
- 3. Electronic Data.

Payments under the Preservation Of Property Additional Coverage will not increase the applicable Limit of Insurance.

E. Loss Condition Appraisal is deleted and replaced by the following:

2. Alternative Dispute Resolution.

a. Mediation.

If you and we are in dispute regarding a claim under this policy, either you or we may request a mediation of the loss in accordance with the rules established by the Florida Department of Financial Services.

- (1) If the dispute is mediated the settlement in the course of the mediation is binding only if both parties agree, in writing, on a settlement.

However, you may rescind the settlement within 3 business days after reaching settlement, unless you have cashed or deposited any settlement check or draft we disbursed to you for the disputed matters as a result of the mediation conference.

- (2) We will pay the cost of conducting any mediation conferences.

If you fail to appear at the conference, the conference must be rescheduled upon your payment of the costs of a rescheduled conference.

- (3) However, if we fail to appear at a mediation conference requested by you without good cause, we will pay:

- (a) The actual cash expenses you incurred while attending the conference; and

- (b) Also pay the mediator's fee for the rescheduled conference.

b. Appraisal.

Appraisal is an alternative dispute resolution method to address and resolve disagreement regarding the amount of the covered loss.

- (1) If you and we fail to agree on the amount of loss, either party may demand an appraisal of the loss. If you or we demand appraisal, the demand for appraisal must be in writing and shall include an estimate of the amount of any dispute that results from the covered cause of loss.

- (2) The estimate in **b.(1)** above shall include a description of each item of damaged property in dispute as a result of the covered loss, along with the extent of damage and the estimated amount to repair or replace each item.

- (3) Upon receipt of the written demand for appraisal, the parties shall have up to 60 calendar days from receipt of the written demand to examine all damages claimed, including the right to re-inspect the property, before commencing the formal Appraisal process.

The start of the formal Appraisal process will not begin until the earlier of:

- (a) The day the parties mutually agree in writing to commence the formal appraisal process; or
 - (b) The 61st calendar day after the receipt of the written demand for appraisal;
- (4) Upon commencement of the formal Appraisal process as outlined above in **2.b.(3)** above each party will choose a competent appraiser within 20 days from the date of commencement.

In order to be deemed competent, each appraiser must be experienced and proficient in preparation of commercial property damage estimates, conducting on-site examination of commercial property damages and reviewing commercial engineering reports, regarding repair and replacement of commercial property multi-story and high-rise commercial building damage and business personal property damage.

- (5) The appraisers will separately set the amount of loss. If the appraisers submit a written report of an agreement to us, the amount agreed upon will be the amount of loss.

Both appraisers must sign the written report of agreement.

- (6) If the appraisers fail to agree within 60 days from the commencement of the formal appraisal process, the two appraisers will choose a competent and impartial umpire.

To be deemed competent, the umpire selected by the two appraisers above must be experienced and proficient in preparation of commercial property damage estimates, conducting on-site examination of commercial property damages and reviewing commercial expert reports, regarding the repair and replacement of commercial property damage.

- (7) If the two appraisers cannot agree upon an umpire within 15 days, you or we may request that the choice be made by a judge of a court of record located in the county corresponding to the applicable LOCATION NO. and its DESCRIPTION OF PREMISES address shown in the Declarations in accordance with the following:
- (8) The two appraisers will submit their differences to the umpire. A decision agreed to by any two will set the amount of the loss.
- (9) The appraisal award will be in writing, must be provided in a form approved by us, and must be signed by either:
 - (a) The two appraisers who have agreed in setting the amount of loss; or
 - (b) The umpire and the appraiser who has agreed with the umpire in setting the amount of loss.

The appraisal award shall include the following:

 - (a) A detailed list, including the amount to repair or replace, of each specific item included in the award from the appraisal findings;
 - (b) The agreed amount of each item, its replacement cost value and corresponding actual cash value;
 - (c) Provisions relevant to the umpire's agreement to act in accordance with the Policy provisions; and
 - (d) A statement of "This award is made subject to the terms and conditions of the policy."
- (10) Each party will:
 - (a) Pay its own appraiser, including their costs associated with producing the estimate described in **b.(1)** above; and
 - (b) Pay the reasonable fees and the reasonable expenses of the appraisal and umpire equally.
- (11) You, we, the appraisers and the umpire shall be given reasonable and timely access to inspect the damaged property, in accordance with the terms of the policy.

(12) If, however, we requested the mediation in **2.a.** above and either party rejects the mediation results, you are not required to submit to, or participate in, any appraisal of the loss as a precondition to action against us for failure to pay the loss.

(13) If, however, you or any party other than us requested the mediation in **2.a.** above, we may still demand appraisal.

F. Loss Condition E.3. Duties In The Event Of Loss Or Damage is deleted and replaced by the following:

3. Duties In The Event Of Loss Or Damage

Paragraph (3) applies only to the following:

M. The following is added to the Loss Condition **Valuation:**

Throughout this policy, when determining the actual cash value of the loss, the costs necessary to repair, rebuild or replace the covered damaged property may be depreciated. The insured or the claimant may deny access to the property if notice has not been provided. The insured or the claimant may waive the 48-hour notice.

Q. In the Loss Conditions, the following is added:

Claim, Supplemental Claim, Or Reopened Claim

- a. A claim or reopened claim is barred unless notice of the claim is given to us in accordance with the terms of the Policy within 1 year after the date of loss.

A reopened claim means a claim that we have previously closed, but that has been reopened upon an insured's request for additional costs for loss or damage previously disclosed to us.

- b. A supplemental claim is barred unless notice of the supplemental claim is given to us in accordance with the terms of the Policy within 18 months after the date of loss.

A supplemental claim means a claim for additional loss or damage from the same peril which we have previously adjusted or for which costs have been incurred while completing repairs or replacement pursuant to an open claim for which timely notice was previously provided to us.

- c. For claims resulting from hurricanes, tornadoes, windstorms, severe rain, or other weather-related events, the date of loss is the date that the hurricane made landfall or the tornado, windstorm, severe rain, or other weather-related event is verified by the National Oceanic and Atmospheric Administration.

This provision concerning time for submission of claim, supplemental claim or reopened claim does not affect any limitation for legal action against us as provided in this Policy under the Legal Action Against Us Condition, including any amendment to that condition.

R. Additional Condition **Mortgageholders, paragraph 2.a. is deleted and replaced by the following:**

- a. The term mortgageholder includes trustee and lienholder.

S. Additional Condition **Coinsurance is deleted in its entirety.**

T. In the Additional Conditions, the following is added:

Adjustment of Limits and Amounts

If this policy is a renewal with us, the Limit of Insurance for your Covered Property may be adjusted.

Any change in the Limit of Insurance does not, in any way, represent, warrant, or guarantee to any person or entity, that:

- a. These adjustments will keep pace with inflation; or
- b. The amounts of coverage are adequate to repair or rebuild any specific building or structure.

U. In form CP 00 17, Optional Coverages, **Replacement Cost, paragraph 3.b.(4) is added:**

- (4) "Stock", unless the Including "Stock" option is shown in the Declarations.

V. The following is added to **H. Definitions** part of this policy:

“Assumption insurer” means an insurer who assumes contractual liability of your Citizens policy under an assumption agreement or take out plan pursuant to Sections 627.351(6) and 627.3511, Florida Statutes.

- b. The electronic posting of any document or notice, with notification to you of the posted document or notice, by electronic transmittal to the designated Primary Email Address shown in your Declarations.

(Hereafter referred to as “electronically transmitted”, “electronic transmittal”, “electronically transmit” or “electronically transmitting”)

“Principal building”:

- a. If we are insuring your Business Personal Property located within a building we do not insure under this policy, “principal building” means:

The building including any attached garage located at the Business Personal Property’s insured location shown in the Declarations.

“Principal building” does not include property described in paragraphs **b.(1)** through **b.(7)** below.

- b. If we are insuring a building or structure under this policy, “principal building” means each building shown in the Declarations, including any attached garage.

“Principal building” does not include:

- (1) Appurtenant structures connected to the “principal building” by a fence, utility line, open space, or breezeway;
- (2) Structures whose foundation is not part of or connected to the applicable “principal building” foundation.

These structures include, but are not limited to, screen enclosures, porches, lanais, carports, pools, pool decks, spas, gazebos, buildings that are not fully enclosed, buildings or structures constructed to be open to the weather, and other open sided or ancillary structures;

- (3) Driveways, sidewalks, decks or patios; including, but not limited to, walkways, pavement, fences and other similar property;

“Primary structural system” means an assemblage of “primary structural members.”

“Structural damage” means a “principal building,” regardless of the date of its construction, has experienced the following:

- a. Interior floor displacement or deflection in excess of acceptable variances as defined in ACI 117-90 or the Florida Building Code, which results in settlement-related damage to the interior such that the interior building structure or members become unfit for service or represents a safety hazard as defined within the Florida Building Code;

- b. Foundation displacement or deflection in excess of acceptable variances as defined in ACI 318-95 or the Florida Building Code, which results in settlement-related damage to the “primary structural members” or “primary structural systems” that prevents those members or systems from supporting the loads and forces they were designed to support to the extent that stresses in those “primary structural members” or “primary structural systems” exceeds one and one-third the nominal strength allowed under the Florida Building Code for new buildings of similar structure, purpose, or location;
- c. Damage that results in listing, leaning or buckling of the exterior load bearing walls or other vertical “primary structural members” to an extent that a plumb line passing through the center of gravity does not fall inside the middle one-third of the base as defined within the Florida Building Code;
- d. Damage that results in the building, or any portion of the building containing “primary structural members” or “primary structural systems,” being significantly likely to imminently collapse because of the movement or instability of the ground within the influence zone of the supporting ground within the sheer plane necessary for the purpose of supporting such building as defined within the Florida Building Code; or
- e. Damage occurring on or after October 15, 2005, that qualifies as “substantial structural damage” as defined in the Florida Building Code.

W. In Form **CP 00 17**, the following definition is added to **H. Definitions** part of this policy:

“**Stock**” means merchandise held in storage or for sale, raw materials and in-process or finished goods, including supplies used in their packing or shipping.

X. Sinkhole Collapse Coverage Removed.

Sinkhole Collapse coverage is removed and coverage for Catastrophic Ground Cover Collapse is added instead as set forth in Part **V.** below.

In the Causes Of Loss – Basic Form **CP 10 10**, **Sinkhole Collapse** is deleted from the Covered Causes of Loss.

Further, this policy does not insure against Sinkhole Loss as defined in Florida law unless an endorsement for Sinkhole Loss is made part of this policy. However, if Sinkhole Loss causes Catastrophic Ground Cover Collapse, coverage is provided for the resulting Catastrophic Ground Cover Collapse even if an endorsement for Sinkhole Loss is not made part of this policy.

Y. The following is added to this policy as a Covered Cause of Loss:

Catastrophic Ground Cover Collapse.

We will pay for direct physical loss or damage to the “principal building” caused by or resulting from Catastrophic Ground Cover Collapse, meaning geological activity that results in all of the following:

- a. The abrupt collapse of the ground cover;
- b. A depression in the ground cover clearly visible to the naked eye;
- c. “Structural damage” to the “principal building,” including the foundation; and
- d. The “principal building” being condemned and ordered to be vacated by the governmental agency authorized by law to issue such an order for that “principal building.”

However, damage consisting merely of the settling or cracking of a foundation, structure or building does not constitute loss or damage resulting from a Catastrophic Ground Cover Collapse.

Direct physical loss from Catastrophic Ground Cover Collapse does not apply to the costs to repair the depression or hole, or to stabilize the land on the premises. However:

- a. If our professional engineer selected or approved by us determines that the repairs cannot be completed within the applicable Limit of Insurance, and we at our option pay to complete our professional engineer’s recommended repairs, our payments will include payment for stabilization of the applicable land in accordance with our professional engineer’s recommended repairs.
- b. The total of our payments in (a) above will not exceed the applicable Limit of Insurance.

Business Personal Property:

We will pay for direct physical loss or damage to Business Personal Property shown in the Declarations, when the following apply:

- a. The Business Personal Property is located within a “principal building,” and
- b. The direct physical loss or damage results from or is caused by Catastrophic Ground Cover Collapse that occurs during the policy period, as described above.

The Earth Movement And Settlement Exclusion does not apply to coverage for Catastrophic Ground Cover Collapse.

Coverage for Catastrophic Ground Cover Collapse does not increase the applicable Limit of Insurance.

Regardless of whether loss or damage attributable to Catastrophic Ground Cover Collapse also qualifies as Sinkhole Loss or Earthquake (if either or both of those causes of loss are covered under this Coverage Part), only one Limit of Insurance will apply to such loss or damage.

Z. In the Causes Of Loss – Basic Form **CP 10 10**, the following is added to paragraph **B.1.**:

These Exclusions in **B1.** and **B.2** below apply whether or not the loss event results in widespread damage or affects a substantial area.

- (c) The requirements of which result in a loss in value to property;
- (d) Requiring you or others to test for, monitor, clean up, remove, contain, treat, detoxify or neutralize, or in any way respond to, or assess the effects of pollutants; or
- (e) The requirements of which apply to other structures unless specifically provided under this policy.

BB.In the Causes Of Loss – Basic Form **CP 10 10**, the Earth Movement Exclusion **B.1.b.** is deleted and replaced by the following:

b. Earth Movement And Settlement

- (1) Earthquake and settlement, including land shock waves, tremors, aftershocks, or any earth sinking, rising or shifting, related to such event;
- (2) Earth sinking (other than catastrophic ground cover collapse), rising or shifting, landslide, mudflow, mudslide, sand flow, shifting sand, scouring, including soil conditions.

Soil conditions include contraction, expansion, freezing, thawing, erosion, scouring, improperly compacted soil, clay shrinkage or other expansion or contraction of soils or organic materials and the action of water under the ground surface;

- (7) Vibrations from construction equipment on adjacent property, caused by or as a result of blasting, pile driving, demolition and other construction activities which cause vibrations;

whether caused by or resulting from human or animal activities, any act of nature or is otherwise caused.

But if Earth Movement, as described in **b.(1)** through **(7)** above, results in fire or explosion, we will pay for the loss or damage caused by that fire or explosion.

- (8) Volcanic eruption, explosion or effusion. But if volcanic eruption, explosion or effusion results in fire or Volcanic Action, we will pay for the loss or damage caused by that fire or Volcanic Action.

CC.In the Causes Of Loss – Basic Form **CP 10 10**, the Nuclear Hazard Exclusion **B.1.d.** is deleted and replaced by the following:

d. Nuclear Hazard

- (5) Waterborne material carried or otherwise moved by any of the water referred to in **g.(1)**, **g.(3)** or **g.(4)** or material carried or otherwise moved by mudslide or mudflow.

This Exclusion **g.** applies regardless of whether any of the above in **g.(1)** through **g.(5)** is caused by or resulting from human or animal forces or by an act of nature or is otherwise caused.

An example of a situation to which this exclusion applies is the situation where a dam, levee, seawall or any other boundary or containment system fails in whole or in part, for any reason, to contain the water or waterborne material.

But if any of the above, as described in **g.(1)** through **g.(5)** above, results in fire, explosion or sprinkler leakage, we will pay for the loss or damage caused by that fire, explosion or sprinkler leakage (if sprinkler leakage is a Covered Cause of Loss).

FF.In the Causes Of Loss – Basic Form **CP 10 10**, the following paragraph **i.** is added to **B.1.** Exclusions:
